April 2011

President: Jim Quinn, Vice President: Art Armstrong, Secretary: Jean Doyle, Treasurer: Alice Luther,
Directors: Ginny Quinn, Chuck Konopsky, Bob Compton,
Newsletter Editor: Bob Compton

Our monthly meetings are held at the Club House Restaurant located at the Daytona Beach Municipal Golf Course the third Tuesday of each month. We invite you to dine with us starting at 6:00 PM, with the meeting starting at 7:00.

Daytona 500 Party @ the Quinn's: 2.20.11

As race driver Jackie Stewart (do you remember him?) would say "It's a grrrate grrrate day for racing." (said with a Scottish accent). Jim served his Sloppy Joes and those that attended brought some great eats. Four TV's allowed everyone that wanted to see the race have an excellent view. The "race pool" was sold out in no time. Some liked the drivers they had, some did not. The two car draft made for some exciting times and the lead changed often. The "pool" allows the opportunity for the holder of first place and the holder of last place to take home some of the pot. Wouldn't you know it, Jean had both the drivers. Congratulations Jean. How 'bout that rookie!

Tom Gibbs Corvette/Camaro Car Show: 3.12.11

A good turn out for the show as the club had 11 cars and 17 members present. It was a cool and very bright day and the sun really glistened off the shiny cars. Attending were

Frank & Leanne, Art & Leslie (both cars), Ed & Jean, Tim & Lois, Steve & Anita, John & Alice, Dave, John R, Warren, Jackie, and Chuck. The club probably had a new milestone as the club won the 50/50 for the 2nd year in a row as Frank won \$183. Lois was the winner last year. If you were around at the right moment, you would have seen Art giving dancing lessons or maybe he was just excited his car had started that morning. A good point of the show was that it lasted only 4 hours. See photos in the *Gallery*.

BOTR: Downwind Café – Spruce Creek Fly-in: 3.13.11

A very nice morning greeted 13 folks and 7 Corvettes at the Target Plaza in Port Orange. Ed & Jean took the lead as we all headed over to the Spruce Creek Fly-in. After stopping at the Fly-in entry gate, Lars took up the lead to the actual restaurant. I make a habit of stopping at all stops signs but the last one before the restaurant was very important. It indicated that airplanes had the right-of-way. We crossed the runway twice before actually parking across the runway from Downwinds. We had a short wait as

the place was very crowded but the food was very good – worth the wait. Making the trip in their Corvettes were Bob & Sadie, Frank & Leanne, Art & Leslie, Dave & Maya, Ed & Jean, Lars & Carole, and John R. Sally met us at the restaurant. See photos in the *Gallery*.
