BOTR Booth's Bowery: 1.9.11

Was it a nice day or what? Yes it was a nice day but it was also a cold day. Sadie knew where it was warmer as she got out of her car, said hi to everyone then got back into the car as she was trying to shake a cold. Ten Corvettes and a 'UTE' left the parking lot and headed east over the Orange Street bridge then south to Dunlawton and over the bridge westbound before jogging right on Ridgewood and then left on Herbert and finally arriving at Booth's. Making the trip were the Armstrong's, Blake's, Compton's, Connelly's, Doyle's, Gatz's, Dave & Maya, John Reis, Quinn's along with guests Bob & Mickey, and Mike Mills with his daughter Tracy. Once the food was served, the noise level dropped greatly as we were busy eating the plentiful and wonderful food. The wait staff did a great job of serving too! Yes, it was a nice day.

BOD meeting: 1.11.11

A meeting was held at the Compton's with all members present except for Chuck. Jim presented a budget which was altered slightly during the meeting. Main changes were monies allocated for golf trophies and drinks at the Christmas banquet were

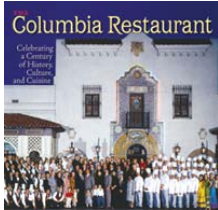

reallocated to a summer/fall picnic. The budget leaves the club in good financial shape. The BOTR calendar was completed through July. Other events were discussed and put on the calendar (see the Calendar on the WEB site). Other social events were discussed with thought being given to Daytona500 party hosted by the Quinn's; dinner night out – needs location; picnic; and a lasagna throw-down which would need a host.
