Our monthly meetings are held at the Club House Restaurant located at the Daytona Beach Municipal Golf Course the third Tuesday of each month. We invite you to dine with us starting at 6:00 PM, with the meeting starting at 7:00.

BOTR: The club met at Beall's and Chuck pulled up in his C5 by himself saying he got into a fight with Shirley & left without her (yeah right like he'd get away with that she'd kick his a_ _), anyway then two minutes later Shirley pulled up in a C6 (everyone thinking it was Roseanne's) everyone was shocked. Present were Art, Leslie, Jean came by herself - way to go Jean!! (Ed was sick), Chuck & Shirley. Alice & John met us at Beall's. Alice & John said they would meet us at Peach Valley, so Leslie led, followed by Shirley, Jean, and then Chuck through the loop & back down A1A. So the big event was that there were three women driving & one man. (Girls rule) We got to Peach Valley & about 15 minutes later Tim, Lois and Bob came. We had 10 people all together. Food was great, of course. We missed everyone that didn't attend.

In March "let's do lunch". We are going to do this on March 11th. Bike Week starts the first weekend of the month. Maybe we will miss the bulk of the activities by waiting a week. We will travel up to Palatka to Gator Landings. This is a very nice restaurant along the St. Johns River. They have seating inside and out. We will meet at the usual place by 11:00 and motor on up to Palatka. Hope to see you there.

Seeing Any C6's?: There are a couple of C6's that have joined the stable. The Konopsky's are now the proud owners of a 2006 C6. The Quinn's now ride in a 2005 C6. As you read above Shirley arrived at the last BOTR in her new Red C6. Jim and Ginny can be seen cruising in their LeMan's Blue C6. Chuck and Shirley now have two Vettes by hanging onto their C5. The Quinn's traded their black C5 to move up to the C6. The Konopsky's purchased theirs from a

private party and the Quinn's purchased theirs from Jon Hall Chevrolet.

Pete's Dragon: New member Pete Zguzenski sent us a picture of his '92 C4. Nice ride Pete!

Top o' the mornin' to ya: The O'Leary's St. Patrick's Day party is ready to rock. The party will start at 7:00 PM. They will have beer and wine so if you drink something different you are asked to bring your own.

There will be a contest to see who can strut your stuff in the "wearing of the Green".

Board Meeting: There will be a Board of Directors meeting March 13th, 7:00 PM at the Luther's in Palm Coast. If you are an Officer or Director you are asked to attend. Board meetings are open to all members. If you plan to attend please give Alice a heads up so she will know how many to plan on.

Sorry; for the fuzzy blow up. But you get the idea

Caravan 09: Remember when all Corvettes were recalled to Bowling Green in 1994 then again in 2003. The first one was for the opening of the Corvette Museum and the other for the 50th Anniversary. Well they're recalling all Corvettes again for the 15th anniversary of the opening of the museum. Festivities will take place September 3 – 5, 2009. Corvettes will be caravanning from all over the U.S. If you want to enjoy a great experience, participating in an event like this can be a memorable one. Check the Museum web site for future information.

My Turn: Hey! What's with this? At the January meeting Pete was asked to draw the 50/50, he drew his own ticket. This past month Jean was asked to draw the 50/50, she drew her own ticket. It's my turn in March.

Reminder: Next meeting on March 20th. See ya there!
